

JUSTIN ANDREI Z. ALMACHAR RCE, RMP, SO3

Civil Engineer | Master Plumber | Safety Officer 3 | Project Estimator

Batangas, Philippines | almacharjustinandrei@gmail.com | +639128947316 | [linkedin.com/in/justin-almachar](https://www.linkedin.com/in/justin-almachar)

PROFESSIONAL SUMMARY

Versatile professional with combined experience as a **Civil Engineer, Master Plumber, and Safety Officer**, offering comprehensive expertise in construction management, cost estimation, plumbing systems, and occupational health and safety. Skilled in project planning, quantity take-offs, cost estimation, and budgeting, along with design, site supervision, and the installation and maintenance of plumbing systems. Adept at ensuring compliance with engineering standards, building codes, and safety regulations while conducting risk assessments and enforcing safety protocols. Proven ability to coordinate multidisciplinary teams to deliver projects efficiently, safely, and within budget. Dedicated to delivering high-quality workmanship, promoting a safety-first culture, and achieving sustainable, accurate, and cost-effective project outcomes.

WORK EXPERIENCE

Tollway Facilities Supervisor

STAR Tollway Corporation – SMC Infrastructure

October 2022 – Present

- Lead a team of 65 in maintaining a smooth tollway access and services.
- Supervise toll plaza operations, ensuring compliance with safety, operational, and customer service standards while minimizing traffic congestion and delays.
- Coordinate preventive and corrective maintenance activities for tollway facilities and equipment, improving reliability and operational efficiency across the toll network.

Part-Time Instructor / Faculty

National University – Lipa Campus

March 2025 – June 2026

- Developed lesson plans, instructional materials, examinations, and project-based assessments aligned with engineering education standards and program outcomes.
- Mentored engineering students in academic projects, research activities, and industry-related applications, fostering analytical, technical, and problem-solving skills.

EDUCATION

Bachelor of Science in Civil Engineering

Universal Colleges of Parañaque, Philippines

Graduated: 2020
